Subject: hopi set aside proposals missing PERs

Hi Bessie,

I just received a couple of set-aside proposals from Hopi and wanted to check in with you because they included the tribal endorsement and project proposal form but did not include a PER, though the project proposal forms said they were attached. Maybe they plan to email or we already have them from previous years...

- 1) HAMP project – I suspect we have this already because we've funded it in the past but wanted to check;
- 2) Upper moenkopi project to evaluate capacity of N-aquifer.

Let me know if these are familiar or if I should contact the Tribe to make sure they plan to submit the PER. Thanks!

Emmanuelle
